Also submitted herewith is the International Preliminary Examination Report from PCT/EP00/08832. The Examination Report identifies U.S. Patent No. 5,709,895, WO 98/37769, and EP-A-0 625 578. A copy of EP-A-0 625 578, which is written in German, is submitted herewith, along with its English language equivalent, U.S. Patent No. 5,578,339, both of which are listed on the Form PTO-1449. A translation of the Preliminary Examination Report is also submitted herewith, for the convenience of the Examiner.

Copies of the listed documents are attached. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.
